Where should I send my submission?
The Director-General or their delegate will make a decision on your review submission. Your submission can be sent via post or email to the below addresses. If you have any questions about the review process, please contact your case manager.

Postal address:
Director-General
Department of Education
PO Box 15033
CITY EAST QLD 4002

Email address (for review submissions only):
Behaviour.Central@qed.qld.gov.au

When do I need to lodge my submission?
The review submission must be received by the Director-General within 30 school days from when you are given the notice. If you require more time to prepare your submission, you must contact the Director-General in writing to request more time.

Who can make a submission?
- Students or their parents.
- Other persons (e.g. solicitor, social worker) can help you make the submission or can prepare it on your behalf, however you must give them permission to do so and provide written authorisation with your appeal.
- If you need assistance with the submission process or would like to make an oral appeal, you can contact your regional case manager whose details are in the decision notice provided by the original decision maker.
- If you wish to obtain further details about the basis for the original decision, please contact your regional case manager.

What should I include in my submission?
In your submission, you should state the reasons why you think the decision is unfair, outlining the facts that support your case why your enrolment at the school would not be a risk to others at school. Reasons for your submission may cover aspects such as:
- objections to the processes undertaken (how the decision was made, investigation process etc.)
- objections to the fact or reasons as given by the Director-General in the notification letter
- objections to the perceived severity or fairness of the decision and/or
- any new information that is relevant to the matter about the incident, or any outcomes of programs undertaken, court hearings etc.

An example of a submission is shown on the next page. This is just a guide and yours may look different.

What happens with the information I provide?
Any information you provide within your appeal will be collated by appropriate central office staff for the Director-General’s consideration and final decision.

When will I hear about my appeal?
Reviews can take up to 40 school days to complete, as the process is very thorough and involves collecting and reviewing reports and documents from the school and family. During the course of the appeal process, you may be contacted to provide further information or be provided with further documentation to consider. This ensures natural justice is afforded and that every opportunity is provided to the student, family and school to present their case to the Director-General.
