

Positive Behaviour for Learning (PBL)

PBL in practice

Nambour Special School

Focus area

Integrating student wellbeing and family engagement with PBL

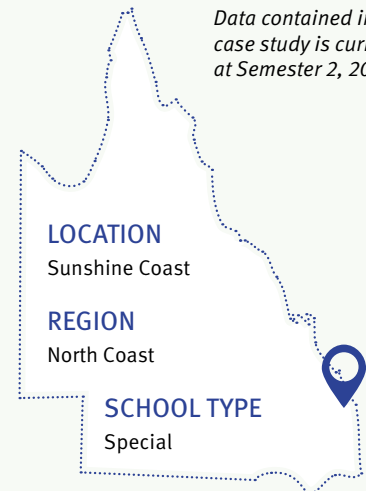

Achievements

- Increased staff understanding of a functional approach to behaviour and behaviour support planning
- Development of a Student Welfare Intervention Framework
- Improvements in student attendance and behaviour
- Increased academic outcomes
- Over 95% of staff and parents rate the school as safe in the School Opinion Survey

Strategies

- Social-emotional curriculum incorporated into PBL explicit teaching matrix
- Ongoing professional development in understanding and supporting behaviour
- All staff provided with professional development in de-escalation skills
- Parent information sessions on regulation strategies
- Case management teams established
- Introduction of comic strip conversations
- Thumbs up awards

Data contained in this case study is current as at Semester 2, 2020.
