Ripley Valley State Secondary College sits at the heart of a vibrant and rapidly growing community, serving as a central hub for connection, opportunity, and shared success.

Guided by our core values of Respect, Responsibility and Perseverance, we work in partnership with our students, parents and the wider community as we strive to

Achieve Excellence Together

FOSTERING A CULTURE OF BELONGING & ENGAGEMENT

At Ripley Valley SSC, we are committed to creating a positive culture where every student feels connected and engaged with their learning. To achieve this, we have implemented the following:

- ✓ Integrated rewards program centred around core values
- ✓ Cultural support programs and activities for our diverse student population
- ✓ Lunchtime student engagement and House Spirit activities
- ✓ Fostered sense of connection through our Belonging Framework
- ✓ Ongoing professional development for staff
- ✓ Explicit teaching of learning values and social skills
- ✓ Collaborative approach with parents, carers and the wider community

ACKNOWLEDGEMENT OF COUNTRY

We acknowledge the traditional custodians of the land on which we meet, the Yuggera and Ugarapul People, and pay our respects to Elders past and present. We acknowledge those Indigenous Australians who hold the memories, traditions and cultures of this land, and our young First Nations students who represent the hopes and dreams of our collective future.
